Sir:

Transmitted herewith for filing in the above referenced patent application which was filed in accordance under 35 U.S.C. §371 are the following:

1. Specification for examination having 21 pages, including 8 claims reflecting the application as last amended in the International stage - no new matter has been added;
2. Executed inventor's declaration
3. Preliminary Amendment;
4. Revised Application Data Sheet.

It is requested that the enclosed self-addressed postcard be stamped with the official dating stamp of the U.S. Patent and Trademark Office and returned. If the enclosed papers are considered incomplete in any way, it is also requested that the undersigned be advised by collect telephone call to (212) 588-9800 immediately upon receipt of this correspondence.

**Small entity status is entitled to be asserted for the application.**

The fee of \$65.00 for late filing of the inventor's declaration, plus any unpaid fee or balance which must be paid at this time to keep the case alive, may be charged to deposit account no. 06-0735. A duplicate of this authorization is enclosed.

Respectfully submitted,

Howard F. Mandelbaum
